- Use our Online Fundraising Tools to create and personalize your own Team Page, send personal emails to recruit team members and raise funds and track online donations.
- Set a goal to recruit at least fifteen co-workers, friends and family members to join your team. There is no limit to the size of your team! Once your team reaches 15 members, you'll get a team sign to carry at the walk.
- Encourage your team members to use our Online Fundraising Tools. Ask them to set up their individual fundraising page and send emails to their co-workers, friends and family members to raise funds.
- Send regular updates to team members and encourage them to set and surpass their fundraising goals. Remind them of the fun swag they can get!
- Share fundraising tips and team progress with your team members.
- Ask your team members to give you any donations received offline and then send them into the St. Louis office.
